The Honorable Archibald S. Alexander  
The Assistant Secretary of the Army  
Pentagon Building  
Washington, 25, D. C.

Dear Mr. Secretary:

This is to acknowledge receipt of your letter of 1 September 1949 concerning contracts held by the Departments of the Army and the Navy and this Agency with [redacted] Inc. The Central Intelligence Agency, as you know, has had very satisfactory relationships with the [redacted] Company. We would be very happy to join in attempting to work out some arrangement whereby the three Agencies involved might be able to come to an over-all solution that would adequately protect the interest of the Government in the contracts presently being handled by [redacted]

I understand that General Brannon, the Assistant Judge Advocate General, has initiated meetings with the General Counsel of the Navy and the Assistant General Counsel of CIA to examine the legal problems involved. These talks have now advanced to the point of a meeting with the General Counsel of the General Accounting Office. I hope that an agreeable over-all solution may be found as a result.

If there is anything I can do to assist in this matter, please continue to call on me.

Sincerely,

*Signed - J. H. Hillenkoetter ER*
